All dimensions are rounded up to the nearest 1/8".
L/R audio jacks are shared between composite and S-Video jacks.
EXP = Expanded A/V Window
Remote Commander, Sony, Trinitron, Color Pure Filter, Dynamic Picture, Matrix Surround, Microblack, Mirrorblack, and Velocity Modulation are trademarks of Sony.
SRS is a trademark of Hughes Aircraft Company, a subsidiary of GM Hughes Electronics. dbx is a trademark of Carillon Electronics.

Features and specifications are subject to change without notice.
Non-metric weights and measures are approximate.
Stereo Reception: Stereo and separate audio program (SAP) reception is only available from broadcasts encoded with these services.
Cable service is only available to subscribers of the service. This model tunes in most non-scrambled channels directly. Scrambled Cable-TV services may require an external converter. Check with your local cable company on channel compatibility and any additional requirements.
